DECLARATIONS

- ❖ I wish to become a member of Staines Shopmobility and confirm that I do not have any condition that would prevent me from using any mobility equipment safely. Additionally, I declare that I do not take any medication that would impair my ability to safely operate the mobility equipment hired to me. I understand that it is my responsibility to inform Staines Shopmobility immediately if there is a change in my condition, which would affect my ability to safely operate the mobility equipment hired to me and agree to undertake a new assessment.
- ❖ I confirm that I have been instructed in and understand the safe use of the equipment being hired to me, and that I have received, read, and understood a copy of Staines Shopmobility Terms and Conditions of Hire, and I agree to abide by these terms and accept responsibility for any equipment loaned to me.
- ❖ I am aware that the equipment has a recommended weight limit and I have stated my true weight for this purpose.
- ❖ **OTHER INSURANCE: In the event you cause accidental injury or damage to third party property and make a claim where you can also claim under another insurance policy in force at the time of the loss, our insurance company will only pay our share/portion of the claim. You must disclose to us details of the other insurance policy in force including the insurer and policy number.**

TERMS AND CONDITIONS FOR USERS

When using any Staines Shopmobility mobility equipment, I agree to the following conditions:

- 1 That I have been instructed in and understand the safe use of the equipment and do not have any condition or take any medication that would impair my ability to safely operate the equipment hired to me.
- 2 To take care of the mobility equipment in my charge and not to leave the equipment unattended at any time, unless (scooters only) it is safely parked and the key removed. Do not alight from the equipment until it has been switched off and / or the brakes applied.
- 3 To use equipment with due care and attention at all times, using minimum speed when entering or exiting any premises in the town and also when in public areas and shops.
- 4 Not to allow any other person to use the equipment hired, or to carry passengers, including babies, children or pets. Also, not to have pets on a lead whilst using mobility equipment. Also, not to hang bags on equipment handles or steering columns.
- 5 That pedestrians have the right of way, and I will be fully aware of pedestrian safety at all times, especially when reversing or manoeuvring.
- 6 Equipment must be used on pedestrian walkways only except when crossing roads. When crossing roads use pedestrian crossings whenever possible and always use dropped kerbs due to the low clearance between the ground and the mobility equipment. If you need to take items to your car then you must use the shortest route to and from your car; you are not permitted to use the car park as a shortcut.
- 7 Not to be under the influence of alcohol or drugs whilst using mobility equipment.
- 8 Not to use a mobile phone whilst scooters or power chairs are switched on and / or in motion.
- 9 Not to use the equipment outside the designated area as defined by Staines Shopmobility.
- 10 Not to leave equipment outside when it rains and to keep under cover when using equipment in rain.
- 11 To return the equipment in good condition to a Staines Shopmobility member of staff at; Staines Shopmobility, Mustard Mill Road, Two Rivers, Staines; no later than the advertised closing time Tuesday to Saturday (inclusive). Late returns will incur an excess hire fee of £25 or withdrawal of the service. A cleaning fee will be charged for equipment returned in an unclean condition.
- 12 That I am responsible for any persons collecting or returning equipment for me and will be liable if that person uses equipment negligently, irresponsibly or in a dangerous manner.
- 13 To advise a member of staff of any incident or damage to equipment whilst in my possession. Users will be charged for any damage arising from careless or dangerous use of the equipment.
- 14 **OTHER INSURANCE:** In the event you cause accidental injury or damage to third party property and make a claim where you can also claim under another insurance policy in force at the time of the loss, our insurance company will only pay our share/portion of the claim. You must disclose to us details of the other insurance policy in force including the insurer and policy number.
- 15 I have received a copy of these Terms and Conditions together with a copy of the 'Guidance points for the safe use of Shopmobility Equipment' both of which I have read and understood.

Guidance points for the safe use of Shopmobility Equipment

- ❖ The use of Shopmobility equipment does not give the user special privileges. Consideration must be given to all other footway users when using equipment.
- ❖ Minimum speed must be used in public areas and shops.
- ❖ Reduced speed must be used when in a shopping precinct.
- ❖ Use minimum speed when entering or exiting buildings.
- ❖ Remember that people generally have no concept of the limitations of your equipment so take extra care when around people.
- ❖ Do not park mobility scooters close to or obstructing doorways and paths.
- ❖ Do not hang bags on the handles of scooters or wheelchairs.
- ❖ When cornering, make a wide sweep, bearing in mind that the eye level of an oncoming walking adult is higher than yours.
- ❖ Do not travel too close to people as they may change direction suddenly and may not be able to hear you approach.
- ❖ When starting, press the lever gently as some equipment can be quite powerful.
- ❖ You must not allow any other person to use the equipment, or to carry passengers, including babies, children or pets. Also, you should not have pets on a lead whilst using mobility equipment.
- ❖ Should you alight from a mobility scooter, leave it in a safe, secure location and always remove the key before attempting to dismount. Do not leave electric and manual wheelchairs unattended.
- ❖ Equipment must be used on pedestrian walkways only except when crossing roads. When crossing roads use pedestrian crossings whenever possible and always use dropped kerbs due to the low clearance between the ground and the mobility equipment. If you need to take items to your car then you must use the shortest route to and from your car; you are not permitted to use the car park as a shortcut from one point to another.
- ❖ Do not use a mobile phone whilst the scooter or power chair is switched on or in motion.
- ❖ The carrying capacity of equipment (including items carried) must not be exceeded. Weight limits are listed below.
